Our mission at World Cup Dreams Foundation is to further the growth and development of our nation's best skiers by helping them realize their athletic goals and dreams through financial support and disability insurance coverage. The Foundation was created in 2005, by former U.S. Ski Team members Bryon Friedman and Erik Schlopy. From the outset, the foundation has provided the top Alpine skiers in the country with the financial resources to help them achieve their ski racing goals and compete at the highest level.

Every now and then, we come across an exceptional athlete like Mathew Lints. He represents all that World Cup Dreams stands for, and we believe he will exceed all expectations in the sport of Speed Skating. If he is able to raise the funds he needs for the high level of training required to make the U.S. Speed Skating Team, we have no doubt he will go far.

We are proud to support Mat in his quest for Olympic gold. For more information on making your donation, please contact me directly at 435.565.1207 or megan@worldcupdreams.org. For checks, please send to: World Cup Dreams Foundation, P.O. Box 684017, Park City, UT 84068.
